## Welcome to SKG

Check out SKG IT Ltd`s latest project – kids101–art site for schools. See the site at [www.kids101–art.co.uk](http://www.kids101–art.co.uk)

**Kids101 Art Site:** – [www.kids101–art.co.uk](http://www.kids101–art.co.uk) Kids101–Art is a new scheme that works with schools to allow them to share resources and childrens art work across counties and the world. Kids101–Art is free for schools and teachers to showcase childrens work.

View the parent group of the kids101–art site for schools, kids101.net at [www.kids101.net](http://www.kids101.net)

Stoke Park Woods

**Stoke Park Woods Site:** – [www.stokeparkwoods.co.uk](http://www.stokeparkwoods.co.uk) Stoke Park Woods is a new site that will provide a local community site for visitors to and people who live around Stoke Park Woods Bishoptoke, Eastleigh, Hampshire.

**Kids101.net:** – [www.kids101.net](http://www.kids101.net) Kids101.net is the group that runs the kids101–art site, with many more exciting projects to come.

SKG IT Ltd provides consultancy, services and products to assist company's in achieving the best value from their Internet related solutions. Through analysis of individual systems SKG will assist you to make the right choices for the future use of technology within your company.

Working with you SKG will assess your requirements and work out the best path forward for your company. If your needs are in line with the products and services which SKG and its partners can supply then we will provide you with details and costs. If SKG`s products and services do not meet your requirements, or our assessment decides you would not benefit from improving your current situation, then we will advise you accordingly.

In addition to a general overview of your company SKG also specialises in several areas that are geared towards improving your company's revenue streams, customer/employee interaction, data storage and office administration.
